on

Voice-based Social Media for Rural India

Mr. Neil Patel
Ph.D. Student, Dept. of Computer Science
Stanford University, California

Brief Bio:

Neil Patel is a PhD student in Computer Science at Stanford University, where he works in the HCI group. His research explores the design and usage of ICTs for underserved populations; specifically, he works on voice-based social media for agricultural communities in rural India. He commutes between his home in California and Ahmedabad, Gujarat.
